Dear Sir:

FOIAb6

On March 15, 1955 you wrote us and stated that our claim for damages on behalf of our insured, Charles [REDACTED], was being forwarded with the recommendation that the claim be paid. We have heard nothing from you since that date, and as you stated in your letter if we did not hear from you within thirty days to contact you.

We would appreciate your advising us as to the status of this matter. Your cooperation will be greatly appreciated.

Very truly yours,

  
H. H. Potter
